Welcome to First Steps Preschool

The goal of our program is to promote the spiritual, intellectual, physical, emotional, and social development of the children. Our purpose is to create an environment in which each child learns and develops to the best of his/her ability through high-quality Bible-based curriculum and programs. The children are taught in classrooms where planned activities are age and developmentally appropriate. We believe that these activities and teaching styles will build character and self-esteem, which will encourage success in later school years.

Mother's Day Out

We use the Christian curriculum, WEE Learn. You will need to provide bottles or a sippy cup, lunch, diapers, and change of clothing. If your child is 18 months and older, they will need a nap mat as well. The kiddos will also play in the tunnels and/or gym each day. Our ratios are well below the state requirements, but it varies by age of the child. We require two teachers in the classroom at all times. Our teachers receive yearly curriculum training, and are back-ground checked and CPR/First Aid certified.

Weekday Preschool

We teach from Wee Learn Christian curriculum, which is units based. Units change weekly and determine how centers are set up. This is supplemented by Heggerty, a program that lays an early reading foundation to help preschoolers be Kindergarten ready. All curriculum is guided by the Texas PreK Guidelines. Students are taught reading, math, science, and social skills each day they are in attendance. They also attend weekly chapel, library, motor movement, music, and Spanish class.

Summer Fun Days

Our Summer Fun Days program serves children ages 6 weeks through completed kindergarten. We are super excited because this year, SFD is packed full of interesting, entertaining, educational, and spiritual greatness! The curriculum for SFD is always based on our VBS theme for the summer. Join us for Summer Fun Days! We will discover tons of FUN!

We are so excited that you are considering First Steps as your childcare and preschool needs. We consider it an honor that you are entrusting us with your most prized possessions. Please reach out if you would like more information. We would love to give you a tour and answer any questions you may have.

Sincerely,
Tara Pike, First Steps Director
